

Kit #1 \$10.00

Kit #2 \$30.00

**Dog Release Kits** containing information and tools used to safely release a dog from a cable device, foothold trap and bodygrip trap. Kits are lightweight and packaged in a slim plastic ziplock bag that easily fits into your vest, cargo pocket, or outerwear.

**Kit # 1** – A pair of skunk deodorizer recipe cards, two 24” heavy duty cable ties, and information and instruction brochures for releasing a dog from a cable device, foothold and bodygrip trap.

**Kit # 2** – Is the same as Kit #1 with the addition of a galvanized aircraft cable cutter (used for encounters with cable devices).
